2. The question for consideration is whether Mr.D.G. Divekar, Senior Clerk, Dharwar Dn., should, as proposed by the S.E., S.C., be permitted to retire from service under Rule 254(2) (a) of the B.C.S.Rs. Manual, Volume I, i.e. on the ground of inefficiency without following the usual procedure stipulated for the purpose in Rule 165-A ibid. The proposal involves relaxation of Rule 165-A quoted above. Such relaxation is not advisable as it would create an awkward precedent. The proper course is to follow the prescribed procedure, if it is considered necessary to require the clerk to retire from service on the ground of inefficiency. It is for consideration whether the S.E. may be informed accordingly. If so, the draft put up will meet the case.

Mr. D.G. Divekar is a Sr. Accounts Clerk (on leave) in Dharwar Division. The S.E., S.C. had reported in March 1948 that the clerk was mentally unstable and recommended that the clerk may be made to retire under B.C.S.R. 254 without furnishing him a charge sheet. The S.E.'s recommendation was not accepted but he was asked to follow the procedure laid down in B.C.S.R. 165-A, vide G.L. No. 9342/36-E(II), dated the 1-4-1948. The S.E. again approached Govt. in December 1948 with the same recommendation without following the procedure as directed in the G.L. referred to above. In G.L. No. 9342/36-E(II), dated the 6-1-1949 the S.E. was acquainted with the necessity of following the procedure and was also given detailed instructions to be followed in the case of Mr. Divekar. The S.E.'s reply is awaited.

2. In the meantime Mr. Divekar has written to Govt. in most objectionable language. The requests made by him are:-

- (1) He may be permitted to file a suit against P.W.D. officers concerned.
- (2) Give wide publicity to P.W.D. rascalities (as alleged by him).
- (3) His leave from the 11-12-48 to the end of January 1949 (which has not been sanctioned) may be sanctioned now and he may be granted further extension of leave upto 31-3-1949.

These are dealt with seriatim in the following paras.

3. Permission to file a suit.

There is no cause to file a suit. The required permission cannot be granted.

4. Give wide publicity to P.W.D. rascalities.

In the absence of concrete examples it is not possible to examine the cases. Mr. Divekar has since addressed two letters to the S.E., S.C. and further developments may be awaited. In any case the permission asked for by Mr. Divekar to go to the Press is irregular and cannot be granted.

4. Sr. No. ^{P-97} ²¹²⁸⁶ ~~21155~~:- Mr. Divekar presented himself before the Civil Surgeon, Satara and that officer has recommended him a month's leave to Mr. Divekar. It appears that Mr. Divekar has neither lost his 'mental balance' nor is he suffering from 'mental hallucinations and aberrations'. He simply gets

excited—

excited which appears to be the outcome of circumstances rather than personal intentions. It seems desirable to transfer Mr. Divelkar to some other Dr. The Ex. Engr. has tolerated Mr. Divelkar so far and his transfer to other Dr. will serve both the purposes viz. giving Mr. Divelkar one more chance for improvement and relieving the Ex. Engr. of undue pressure of tolerance.

5. It is for orders whether the S.E. S.C. may be informed to i) grant Mr. Divelkar a months leave from 25th Mar. 1949 to 25th April 1949 ii) to treat the period from the date of absence to the 25th Mar. as leave as may be due

I think it would be advisable to transfer Mr. Divelkar outside the Southern Circle. But in order that he may not be put to unnecessary hardship, involved in shifting to a far off place, he may be transferred to the Kaimata District on Circle.

KJ 1/4/49

I consider that it would be better if Mr. Divelkar were transferred to some District like Satara or Poona, where apparently he can find accommodation & stay. It is no use keeping him on either in SC or KIC. Let him change his surroundings & let us watch his reactions here.

P. W. D.E.B.(II).

These papers deal with the case of one Mr. D. G. Divekar, senior accounts clerk, Dharwar Dn., who for his insubordinate behaviour and occasional excitements causing disturbances to office work, was considered unfit for continuance in service by the S.E., S.C. The S.E. requested that Mr. Divekar should be made to retire from service under Rule 254(2)(a) of the B.C.S.Rs. Manual, Vol. I, i.e. on the ground of inefficiency without following the usual procedure stipulated for the purpose in Rule 165-A ibid. The S.E.'s recommendation was not, however, accepted because the procedure prescribed in B.C.S.R. 165 A for compulsory retiring a Govt. servant is of a mandatory nature and no relaxation thereof to the prejudice of the person concerned can be made. The S.E. was therefore requested to follow the procedure rigidly in the case of Mr. Divekar.

2. In the meanwhile, Mr. Divekar addressed many letters to the S.E. as well as to the Secy. to Govt. abusing Govt. machinery and asking permission to file a suit against P.W.D. officers and to give wide publicity to P.W.D. rascalities etc. etc. This request was negatived.

3. Mr. Divekar remained absent for a considerable period. The S.E., S.C., accordingly asked Mr. Divekar to appear before Civil Surgeon, Dharwar, but later on, on his request that Satara would be convenient to him he was allowed to appear before Civil Surgeon, Satara.

4. Mr. Divekar evaded those orders, whereupon Govt. warned him that he would be liable for disciplinary action which would necessitate his dismissal.

* p. 77 of
corrs. section

5. Mr. Divekar, after receipt of this letter, appeared before Civil Surgeon, Satara, who certified that Mr. Divekar was suffering from high blood pressure and that his mental condition was otherwise normal except that he got easily excited at times. He recommended a month's rest to Mr. Divekar from the 23-3-49.

* p. 77 of
corrs. section

6. Mr. Divekar has, therefore, been granted a month's leave with effect from 23-3-49, and his previous absence has been treated as leave as was due and admissible. Moreover, in order to relieve the S.E. and the Ex. Engr. of undue pressure of tolerance as also in order to give Mr. Divekar one more chance for improvement by changing his surroundings, Govt. has directed to post Mr. Divekar outside the S.C. and the S.E., E.C., has been asked to post Mr. Divekar at Satara, on return to duty.

the S.E., E.C. has issued orders regarding transfer of Mr. Divekar to the E.C. and those of his posting at Satara. However, from para 1 of Mr. Divekar's letter dt. 22nd April 49, it appears that he is not at all satisfied with his transfer outside the S.C. Mr. Divekar does not seem to have joined duties in the Eastern Circle. In spite of the undue leniency showed towards him, Mr. Divekar shows no sign of improvement. He may, therefore, be dismissed from Govt.

No. G-84.

CONFIDENTIAL.

Public Works Department,
C.V. Belgaum, 22nd March 1948.

Subject :- Mr.D.G.Divekar, Senior Clerk :
Retirement of - before super-
annuation date.

Mr.D.G.Divekar, Senior Clerk in the grade of Rs.100-8-140-10-150 (revised), in this Circle was granted leave for 6months and 26th days from 14th January 1947 to 7th August 1947 when he was in the Divisional Office, Belgaum. On expiry of his leave he was transferred to the Divisional Office, Dharwar, but after a period of about 3 months he again proceeded on leave and has not yet returned to duty.

2. Mr.Divekar is having brain fits at intervals and there is ample proof of such disturbances. During the past 12 years he was on leave many times, the period of leave ranging from 3 months to 8 months on some occasions.

3. His mental disturbances being detrimental to work, the Executive Engineer, Dharwar Division was asked by my predecessor to send Mr.Divekar to the Civil Surgeon, Dharwar for examination with a view to seeing whether he is fit to be retained in service. Copies of the correspondence in connection with the sanction of his previous leave from time to time -- revealing his mental unsound condition were also -- furnished to the Civil Surgeon. On examination the Civil Surgeon declared Mr.Divekar fit for duty on 1st December 1947, but Mr.Divekar did not join duty and applied for extension of leave.

4. Mr.Divekar saw my predecessor on 22nd December 1947 in Office at Belgaum and requested him to retire him on invalid pension. Since he was declared fit for duty by the Civil Surgeon, Dharwar, he was told that he could not be made to retire on invalid pension, but he could retire on retiring pension under B.C.S.R.254. He refused to retire on retiring pension as it carries proportionate pension instead of full pension. He also refused to appear before the Civil Surgeon, Belgaum, for medical examination.

5. He appears to be mentally unstable with, however, ~~kind~~ and sensible intervals. He has to be humoured continually and on the slightest sign of disagreement with him he goes off. Fortunately he has shown no other violent tendencies than threats of violence. Attempts were made to steady him by the grant of leave and easy work but without success.

6. During this month Mr.Divekar saw me thrice in Office. At the second and third meeting he gave me unmistakable...

unmistakable evidence of mental excitement of an uncontrollable nature. He appears to be suffering from some mental hallucinations and aberrations.

7. I am therefore convinced that it is in the interest of Government as well as himself that he is made to retire. But how to make him retire under the rules is the question. A government servant can be made to retire on retiring pension under B.C.S.R. 254 corrected by C.S.No.105 dated 5th -- October 1940, but this requires furnishing him with a charge sheet. This is not considered desirable in the present case. Mr.Divekar has completed 22 years duty, and is eligible to retiring pension under B.C.S.R.254.

8. In the above circumstances, I would request that Government may, in your concurrence, kindly be moved to accord permission to retire Mr.Divekar on retiring pension under B.C.S.R.254 without furnishing him with charge sheet, as a special case.

9. In the meanwhile the Executive Engineer, Dharwar Division has been asked to sanction leave due to Mr.Divekar until he is made to retire on receipt of Government approval to the proposal made in para 8 above.

10. Very early orders in the matter are requested.

D. G. Diwekar, Esquire,

C/O Executive Engineer,
Dharwar Division,
DHARWAR.

Subject :- Leave etc.

Reference :- Your letter No.G-43/1, dated the
25th October 1948.

The following points are brought to your notice :-

- (a) Much to the detriment of office work, you have been of late very irregular in attendance by going on leave frequently and at short notice :

Leave.			Duty.		
From	To	Total.	From	To	Total.
Y. M. D.			Y. M. D.		
14-1-47	6-8-47	0-6-24	7-8-47	31-10-47	0-2-25

Total.		1-4-18			0-4-22

- (b) I have not been able to see any specimen of responsible work done by you as Senior -- Accounts Clerk during the period on duty such as posting of a Cash Book, compilation of accounts, budgets and returns.

- (c) Thirdly I see from your case papers and letters written by you that you allow yourself to be excited by matters not pertaining to the work entrusted to you, and to the -- detriment of your principal duty. Also you change your mind very frequently; - for example you submitted an appology on 25th October 1948 and on the same day you write to say that you have lost all patience etc. It shows you are not steady in your application to work and in judgment.

2. In view of these observations, I regret you cannot be considered for promotion to the post of a Divisional Head Clerk to which you are due by virtue of seniority.

3. Lastly you have been absent from duty from 27th October 1948 (?) without proper authority to do so. You have not even applied for leave till 13th November 1948. Such a conduct from a senior member of the

service...

service is scarcely conducive to discipline or efficiency in the Department.

The Executive Engineer, Dharwar Division is not prepared to sanction my leave from 11.12.1948 until I produce a medical certificate from the Civil Surgeon, Dharwar. I am quite ready to see the Civil Surgeon,

Dharwar. But I am afraid of future consequences. I have got lot of correspondence worth to be sent to the Anti-Corruption Department and if I show him such correspondence, the Public Works Department authorities including Raosaheb Naik will have dance before the Court.

4. Kindly instruct me whether I should see the Civil Surgeon, Dharwar on condition that I reveal the P.W.D. Rascalities in course of my conversation.

Subject:- Misuse of Government Buildings.

Reference:- My letter dated 24th January 1949.

Sir,

In acknowledging with thanks your letter No.G-43, dated the 24th January 1949, I would like to bring to your notice that my going to Satara, for appearing before the Civil Surgeon, Satara, for medical examination is likely to be delayed for about a week or so, for the following reasons :-

(i) How is that Mr. Bhujale is occupying the rooms in the Executive Engineer's office at Dharwar ?

(ii) I have received reports that he is freely using Government materials for his private use,

(iii) He is troubling the office peons and takes their services free of charge.

2. Will you please take necessary action to drive out the culprit from office premises ? If no suitable action is taken by you I will approach Government. May I draw your attention to a few cases lying still undisposed in your office for more than a year ?

3. I have to approach Judicial Department against Major W.D.G. Dirs, (who was once Superintending Engineer, S.C.) and Rao Sahab A.G. Naik, present Executive Engineer, Dharwar Division for taking action under Defamation Act.

4. Your action in addressing two different letters viz. one to me and the other to the Civil Surgeon, Satara, displays your inner motive quite vividly. It appears that you must have tried to impress on his mind that I am a man fit to be sent home as an invalid person. But I assure you that instead of sending me home, I will have to compell Government, to send a few P.W.D. Officers (even from Secretariat) to Civil Hospital who are Officers in name, because they wear Hats and pants, but really not better than mad caps fit to be kicked out of service, without any notice.

5. Please note that ~~my~~ I may linger on, going to Satara to appear before the Civil Surgeon there, until and unless Mr. Bhujale is made to vacate the present rooms occupied by him.

Subject:- Recent cement case in Ex. Engr's office
at Dharwar.

Sir,

You have failed in your duty! I made a personal request to you in my interview on 21st instant, allowing me to put up my grievances in the presence of the Ex. Engr, Dharwar. I made such request because you were going to Dharwar for inspection of Ex. Engr's office. I now insist on Government to take necessary action on the following points.

(1) I know Mr. Hegde's case fully well. ~~xxxxx~~ It is shame on the part of the Ex. Engr who could not detect the cement case. An highly paid officer should hang the clerk straight off in a very wonderful thing indeed! Your Head Clerk Mr. Pai was the then Head Clerk in Ex. Engr's office at Dharwar. I give below a brief history of his wicked actions concerning various persons.

- (1) He gave so many assurances to Mr. Hegde regarding his free acquittal.
- (2) He is the main cause of my trouble. He persuaded the Ex. Engr to post me to the Sub-Dns. office.
- (3) He is now bent upon troubling many innocent people in your office and troubling Mr. Garde Junior clerk in your office by transferring him to Dharwar office. Your predecessor came to know this mischief in time and hence he refused to sign the office order regarding transfer of Mr. Garde.
- (4) He is personally responsible in allowing your office to issue a letter of warning to me. Your predecessor was a new man and as a gentleman he believed in the Head Clerk but now when I was troubled unnecessarily I am forced to approach you. Your predecessor has commented upon me that I have now posted Cash Book etc. though I was working as a Senior Accts. Clerk. This was a total wrong conception. I was made to work in C.M.B. and naturally my duties in this branch were totally changed. Why should I not hang your Head Clerk for not bringing this fact to the notice of your predecessor?
- (5) Your predecessor had approved the re-employment of Mr. G.B. Sunthakar, retired Head Clerk in your office. Mr. Pai has kept this appointment order with him. Kindly look to the date of this application. Mr. Sunthakar has really been very hard pressed on account of the very acute financial circumstances. Your H.C. Mr. Pai managed to employ his son in one of the Sub-Dns. in Dharwar. God only knows what work this boy carried out. Mr. Pai also took advantage of his situation by appointing his daughter to work in a clerical vacancy. This fellow is adding monetary help to his purse and is safely disregarding the interest of other gentleman who worked honourably and efficiently in your office and retired from Government service leaving good name.

2. To be brief, I say Mr. Pai is only fit to be sent out at once to work as a Sub-Divisional clerk in one of the Sub-Divisions in the Circle.

3. I will flatly tell the Civil Surgeon Satara that I am bent upon kicking out the regues from the P.W.D. and until this is done I would be compelled to extend my leave.

4. When I requested you to remove my grievances, you boldly refused permission to allow me to do so. In fact it was your bounden duty to give me such a change at the time of Ex. Engr's office inspection.

5. Beware, as long as I am honest to my bread no human being on earth can harm me.

6. I will shortly issue a reminder to Government to my letter in connection with sanctioning my leave.

Yours faithfully,

D. G. Durekhot

Reference:- My letter dated 19/1/1949.

Sir,

This is the 1st Reminder to my above reference. My leave from 11/12/1948 to 31/1/1949 is still to be sanctioned. As no action is taken by your office, I have been compelled to request you to extend the leave period further up to 31/3/49, i.e. 11/12/48 to 31/3/49 A.N. Please note this extension of leave applied for is purely in the interest of public service.

2. I request Government, to sanction my leave if due. Supposing, the leave is due and Government is not prepared to sanction it, I ~~am~~ may please be informed accordingly in which case, I will resume my duty in Dharwar office. As my son has been arrested due to R.S.S. activities and at present he is in Savantwadi Jail I had recently gone to Savantwadi to see him. I understand that his services have been dispensed with. So, naturally refusal to sanction my leave, will prove to be conducive to my monetary help, as I have to feed my brother's family consisting of 5 members. My brother is dead and gone, and the responsibility of protecting his members' lives on my shoulders.

3. The Present S.E.S.C. Belgaum appears to me to be a very strange officer. As he has addressed a special letter to the Civil Surgeon Satara, I strongly doubt his intention in sending me to appear before the Civil Surgeon there. Will you kindly call for a copy of this letter?

4. I want to produce the whole correspondence together with the above copy of letter addressed to the Civil Surgeon Satara, before Government of India for their kind perusal.

5. This letter may kindly be treated as a final notice to Bombay Government. If I receive no reply to this application in time, authorities concerned will be forced to stand in the open court of justice. What about my pay? May I knock down the Executive Engineer, Dharwar Division while passing on Provincial Road and extract money from his pocket for defraying my hotel charges? I get only Half Pay and That Too after BOMBLIFICATION from Dharwar to Belgaum and Belgaum to Bombay! Please note DELHI is not far away. The Bombay Government is dozing and a sound bombardment appears to be quite necessary in the interest of my safety as well as Public safety in general.

Copy of letter No.G-43(Confdl.) dated the 24th Jan. 1949, from the Superintending Engineer, S.C., addressed to the Civil Surgeon, Satara, regarding Medical Examination of Mr.D.G.Diwekar, Senior Accounts Clerk.

" Mr.D.G.Diwekar, Senior Accounts Clerk in the office of the Executive Engineer, Dharwar Division has been on leave from the 31st October 1948. Since January 1947, he has been on duty hardly for five months. During the remaining period he was on leave as he was suffering from mental derangement. He has brain fits very often so much so that it has now become impossible to control him. He appears to be suffering from mental hallucinations and aberrations. He saw me on the 21st January 1949 for the first time after taking over charge of this Circle on the 11th instant and during this meeting give an unmistakable evidence of his uncontrollable nature.

2. On his applying for further extension of leave he was asked to appear before the Civil Surgeon, Dharwar, which he refused to do. However, in his interview on 21st January 1949 he expressed his willingness to appear before you for medical examination as this would be more convenient he being a resident of Wai near Satara. I would, therefore, request you kindly to examine him and forward to me the necessary medical certificate.

3. As it is detrimental to continue such unstable minded men in service, I would request you kindly to examine him carefully and intimate if he is unfit for further service and can be invalided. He has been separately directed to appear before you for examination.

4. In December 1947, when Mr.Diwekar was suffering from a similar malady, he was examined by the Civil Surgeon, Dharwar, who then declared Mr.Diwekar to be fit for duty, vide copy of his No.8509, dated the 4th December 1947 enclosed. The following correspondence which will give ample evidence of Mr.Diwekar's mental inequilibrium is forwarded herewith for perusal and return when done with :-

- (1) Mr.Diwekar's letter dated 26th Nov.1948.
- (2) -Do- dated 3rd Dec.1948.

- (5) -Do- dated 7th Dec.1948.
- (6) Ex.Engr.Dharwar Dn's letter No.G-43,
dated the 6th Dec.1948.
- (7) Mr.Diwekar's letter dated 19th Jan,1949."

Copy of letter No.G-72, dated the 21st January 1949, from the Executive Engineer, Dharwar Division, to Mr.D.G.Divekar, Senior Accounts Clerk, P.W.D.(On leave) C/O Ex.Engineer, Belgaum Dn., regarding Medical examination.

" Reference : His letter dated 29-1-1949 addressed to the S.E.S.C.Belgaum and copy endorsed to this office.

As he has asked for leave on medical grounds and as he has also produced medical certificate for part of the period from his private Doctor and as he was asked to produce medical certificate from the Civil Surgeon, Dharwar and later Satara by the Superintending Engineer, S.C. in his letter No.G-43 of 24-1-1949, Mr.Divekar should produce medical certificate of fitness from the Civil Surgeon, Dharwar while resuming duty."

36-E(II), dated the 6th January 1949
and Mr.Diwekar's letter dated the
2nd February 1949, addressed to
Government, and copy to this office.

From the writings of Mr.Diwekar, it appears that he is not of sound mind and no useful purpose will be served by retaining him in service any longer.

2. He was asked to appear before the Civil Surgeon, Dharwar, but he requested me personally that Satara would be convenient to him, he being a resident of Wai near Satara and that he may be allowed to appear for examination there. So, he was allowed that concession. A letter was, therefore, written to the Civil Surgeon, Satara, giving a full history of his case for examining Mr.Diwekar, vide this office letter No.G-43 (Confdl.) dated the 24th January 1949, copy enclosed.

3. As Mr.Diwekar has applied for extension of leave on medical grounds he cannot be allowed to resume duties without the production of a fitness certificate from the Civil Surgeon, as already intimated by the Executive Engineer, Dharwar Division, vide his letter No.G-72, dated the 21st January 1949, copy attached.

4. At present Mr.Diwekar is on extension of leave without proper sanction and so, all the leave will be treated as leave without pay. He has been given notice to appear before the Civil Surgeon, Satara, before the 5th instant and if he avoids the medical examination, which appears to be his main intention, ~~that~~ may be taken as clear disregard to Government orders. A number of letters of such nature are being received from him. He should be discharged from service.

5. A further report will be made to Government on receipt of a report from the Civil Surgeon, Satara.

Sir, I enclose herewith a cutting from the Tarun Bharat Balgaon, dated 11-2-49, for reading it, with your eyes open. I have offered my thanks, to the Editor of this above paper, for giving wide publicity ^{which serves as nice} by Ton Ton, for directing public attention, to the shameless actions of the Shameless Govt and I have promised him to supply a brief history of such P.W.D. Rasalities for being published in his news paper, in the interest of public service.

2. I have not received my pay i.e. (half) pay, from 11th December 48. Who is responsible for this Delay? Government has not even cared to acknowledge receipt of my above letter. Do they know the rules?

3. The S.E.S.C. had no reason to approach Government, in connection with my leave affair. He should have either sanctioned the leave applied for, or flatly refused to do so, in which case, I would have resumed my duty.

4. Has S.E.S.C. cared to know by working out, the actual amount, that has been credited to Government, so far, by my remaining absent, from my duty?

5. Dhanwar Cement Case in our Office is troubling my brain every day. What about Mr. Bagil, Deputy Engineer, who is the main mischief monger, in this particular case? Well, time has now come, when I should make every effort (by speaking truth) to support my co-workers in the clerical line. proceed to DELHI (दिल्ली). I will see our Worthy Sardar Wallabhai Patel and bring to his notice the P.W.D. Rascalities. God is sure to punish you properly for your arrogance and indifferent attitude towards clerical establishment. I have never seen such cruel and rascal people before, even in I.G. of Police, Poona's Office, where I have served very honourably and my superiors gave me very nice treatment. I have recently approached him and he has acknowledged receipt of both of my applications addressed to him.

Copy of letter dated the 15th February 1949, from Mr.D.G.Divekar, to the Executive Engineer, Bharwar Dn.

" I enclose herewith medical certificate (dated 14-2-49) obtained from the Medical Officer, Wai. Wai is my native place where my brother's family stays. As already stated in my application dated 2-2-1949 -- addressed to Government my brother is no more and I have to look to the every day management etc., in person and feed the members of the deceased. You are quite aware of the fact that in November last I had gone to Satara with the clear understanding that I should try to obtain an Invalid certificate from the Civil Surgeon there, but you know, I could not succeed in obtaining such certificate. The present S.E.S.C. has requested the Civil Surgeon, Satara to send me HOME, by certifying me to be unfit for further service.

2. I know the Civil Surgeon (Mr. Ambekar) very well and as he would be the last man to do anything against his conscience and as I wanted not to speak, ill against my superiors to an officer of the other Department, I have purposely avoided to appear before him for examination. This action has been taken by me purely in the interest of Public Service. Be sure, I will never resume my duty unless you vacate the chair, on any account."

Sir,
I write to state that I received a copy of the above letter on 21-2-49 from the S.E.S.C. Bangalore & I sent a reply thereto, the same day. I addressed the letter to you through the S.E.S.C. I have now to say that neither the S.E. nor Govt has acknowledged receipt of the above said letter so far.

2. From the legal advice obtained by me, I am made to understand that I can claim interest from Govt. on the amount borrowed by me, from the public on account of defraying my expenditure in connection with my maintenance charges. My leave from 11-12-48 is still to be sanctioned & then my pay is to be drawn. The actual date of receipt of my pay will be reported to legal authorities for fixing the responsibility on the P.W.D. individual, who purposely avoided to sanction my leave, in time.

3. The S.E. could have sanctioned my leave. He ~~however~~ should not have approached you at all in connection with this leave affair. Now I bring to your notice the fact that I intend to resume my duty on 14-4-49 B.N. If the Ex-Engineer hinders me unnecessarily, & if I find that he does not allow me to join, I will have to take suitable action as I deem fit.

4. The moment I resume my duty,

Subject:- P.W.D. Rascalities.

Sir,

I saw the Superintending Engineer, S.C., Belgaum on 2nd April 1949. I learnt from him that the Civil Surgeon, Satara, has sent my Medical certificate to S.E. duly countersigned by him (the Civil Surgeon). I also came to know that the Civil Surgeon has recommended me leave for one month from 23-3-1949. According to this extension of leave, I am supposed to resume my duty on 22-4-1949 A.N. Undoubtedly, I am not in a position to say anything today, whether I may resume or I may not do so, as I find quite unbearable to be in company of people who are cent percent villains, for instance, the Head Clerk ~~in~~ and the Accountant (Mr. Vaidya) in Ex. Engr's office at Dharwar and Mr. A.V. Pai, the present Head Clerk to the Supdg. Engr., S.C.

2. I bring it to the notice of ^{the} Bombay Government that the administration in the Supdg. Engr's office here has been awfully deteriorated since the departure of Messrs K.P. Khasnis and G.N. Sunthakar. Mr. Pai is fully qualified in the art of MUSKA - FICATION. He knows very nicely how to wag his tail before his superiors. May I make it quite clear that the Dharwar cement case was totally a failure simply because he totally misguided the poor Sub-Divisional Store clerk (Mr. R.T. Hegde). Mr. Pai and Mr. G.B. Bagul the then Sub-Dnl. Officer, Dharwar Sub-Dn. are the main mischief mongers in the above cement case and until and unless Mr. Pai and the other culprit are sent to Jail, I will not be satisfied.

3. Please note that I have accordingly addressed a special letter to the Government Pleader, Belgaum, through the S.E.

4. You may rest assured, ^{that} India provides you with no Civil Surgeon, after 15th August 1947, who can certify me to be a madcap and unfit for service.

5. Now, it is unto me, to see that ^{the} big fools who tried to treat me as a mad person, are taken to Gallows.

6. India is free, I am free, and I wish you to realize that Mr. Divekar will be last man to sit silent like a widow. This is my last application addressed to you. You must shift the hopeless fool (Mr. Pai) either to HELL or to HEAVEN before it is too late.

7. If I receive no reply to this application within a week I will approach the Honourable Minister for P.W.D. and then the Judicial Department.

Yours faithfully,

D. G. Divekar

Subject:- P.W.D. Rascalities.

Sir,

I have been forced by circumstances to approach you in connection with the subject matter referred to above. I have to file a civil suit against the Executive Engineer Dharwar Division and one Mr. A.V. Pai, his Head Clerk, who is now Head Clerk to the Superintending Engineer, Southern Circle, Belgaum.

2. I have to hang these persons under the clutches of law and I request you to please guide me properly and point out the sections etc. under which I will be able to drag these culprits in the open Court.

3. Kindly note that the Civil Suit is to be filed at Government cost. The main mischief monger is Mr. Pai, and the Executive Engineer (having gone totally under his thumb) signed important Government documents blindly. I say these are very dangerous people and I can honestly say that it is my bounden duty to make them stand in the open Court of Justice.

4. I earn my bread in Government service and I am supposed to render (in return) pure public service in the interest of the poor public who deserve every help from me.

5. A very early reply is requested.

Letter dated 20th October 1948 from Mr. S.K.Latnekar, Deputy Engineer, S.B.Sub-Division, regarding Mr.D.G.Divekar, S.A.C.

Mr. D.G.Divekar, S.A.C cannot concentrate on his work. His hand is very shaky. He is not keeping good health. Every now and then he was asking for permission to leave headquarters on holidays or casual leave. I did not consider it desirable to entrust any ----- important work to him as mistakes would undoubtedly be committed for which I would be held responsible. Since the date of joining this Sub-Division he has not done any important work worth the name

Public Works Department
Belgaum, 9th April 1949

The Superintending Engineer,
Southern Circle, Belgaum.

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Mr. D.G.Divekar, Senior Clerk.

Reference:- Mr. Divekar's letter dated 5-4-1949 addressed to Government and his letter dated 3-4-1949 addressed to the District Government Pleader, Belgaum and copy to Government.

The above letters from Mr. Divekar, Senior clerk, and the previous correspondence ending with this office No.G-72, dated the 4th April 1949 are ample proof of Mr. Divekar's habit of indulging himself in making wild allegations and using objectionable language against his Officers and staff of this Department. This he does because all his actions have gone so far unchecked under the notion that he is not in normal mental health. It would be clear from the Civil Surgeon Satara's letter No.3337-38, dated 25-3-1949 addressed to Government that the mental condition of Mr. Divekar is normal except that he gets easily excited.

2. I emphatically hold the opinion that Mr. Divekar has been so far allowed undue leniency and has gone unchecked without being brought to books inspite of all rubbish he has been writing against the officers and staff. This should not be allowed to continue any longer both from point of discipline and smooth working in Government service.

3. It is, therefore, high time that the whole chapter should be closed now by taking action in one way or the other as suggested below:-

34
11/4/49
* p.97
Attention is per 24/4
has been study copy
K. M. V. S.

- (1) He may be transferred to any other Circle on resumption of his duties as it is certain from experience gained so far that he will not work properly in this Circle.

O r

- (1) He should be retired from Government service under B.C.S.R. 254 since he has been of no use to the Department for over last two years and he is not also expected to improve if allowed to continue in this Circle. In this connection a copy of letter dated 20-10-1948 from the Sub-Divisional Officer, Special Buildings Sub-Division, Dharwar, is enclosed for perusal. He has been on leave practically throughout from 14-1-1947 (including leave on half average pay from 7-12-1947), and as such no useful purpose will be served either by continuing him in service in this Circle or granting him any further leave since it is unlikely that he would mend his behaviour.

1. In the above circumstances I would request very early orders of Government according approval to one of the suggestions made above or as Government deems fit.

In the event of Government approving suggestion (1)

above, the name of the Circle to which Mr. Divekar would

be posted may kindly be intimated.

Sir,

The contents of the above letter have increased my brain irritation so much so that as a result of this cruel treatment I give you in writing that I am not prepared to go to any place outside the Southern Circle.

2. May I draw your attention to the Holy Oath of Allegiance to the Dominion of India and bring it to your notice that the Dharwar Cement Case has been handled by Government, cent percent under the influence of White Horse Brandy doze! Alas! The poor Store-clerk is deprived of his bread and his wife and children kept bomblifying day and night!

2. I will see the Civil Surgeon, Satara, when I find myself to be in fit condition to do so, and take necessary legal steps as I deem fit.

4. Kindly note that the main mischief mongers in the above said case, cannot ~~be~~ deceive the All Almighty and they will be sent to HELL, as a result of their own base actions.

Yours faithfully,

addressed to Government through
the E.E. Satara Dn.

I am likely to leave Belgaum tomorrow night for Dharwar. Then I may go to Sholapur (via Bijapur) for giving detailed history of my pinching grievances to the Superintending Engineer, Eastern Circle, and try to impress on his mind that my transfer to Satara is not meant in my personal interest but presumably Government thinks, that it is in their interest as, they may be thinking that my shifting from the Southern Circle may help Government to record the Dharwar Cement case papers once for all.

2. May I assure Government, that I will try to resume my duty in Satara office (after obtaining fitness certificate from the Civil Surgeon, Satara) and then proceed to dig out the above said cement case with full zeal till I succeed in seeing that Mr. Hegade the poor dismissed Store Clerk is really benefitted.

Sir,

The Civil Surgeon Satara, having certified me to be fit for service, I have every right, to claim full pay from 25th May 1949 B.N., and I have informed the Executive Engineer, Satara Division accordingly. Leave sanctioned to me by the Superintending Engineer, Southern Circle, expired on 24-5-49 A.N.

2. About your nasty and wilful orders, in connection with obtaining an apology from me, I wish to inform Govt. that you may issue orders to shoot me down! 3. I feel ashamed to drag on my valuable life in company of such hopeless officers and it is now unto Him The All Almighty, whom I beseech to rescue me, as early as possible, from my present hell-like situation.

Subject:- P.W.D. Rascalities.

Sir,

The Bombay Government is not prepared to allow me to resume my duty unless I apologise for the abusive language used by me. I have totally refused to abide by the Government orders in question and I have informed Government accordingly on 25-5-1949.

2. Now I wish to take up my case to the Judicial Department and I intend issuing necessary notice to the Bombay Government under Sections 79 and 80 of the Civil Procedure Code and I will now be required to rake up the following old cases: -

(1) My letter addressed to the Superintending Engineer, S.C. on 14-1-1947 in connection with mutilations in the Irrigation Demands Statements of the Gokak Canal for the year 1945-46.

(2) -do- -do- dated 20-5-1948.

(3) -do- -do- dated 27-5-1948.

3. All the references referred to above, have not been replied to at all. On perusal of the case referred to ~~mentioned~~ in item (1) above, it will be seen that I have actually wasted my valuable energy and poured my blood in bringing the Irrigation Case to an end and ultimately the clerk concerned was fined Rs. 25/- and necessary Government Notification appeared in the Bombay Government Gazettee.

4. Bombay Government is harrasing me like anything and I will pay them in the same coin.

5. Shameless people try to hide their shameless actions and it is the law of Nature to bring such actions to light when they fully develop. I intend addressing the Editor of the "Times of India" to give wide publicity through his paper to the P.W.D. Rascalities.

Yours faithfully,

Sir,

The Executive Engineer, Satara Division and his Accountant know, in what fashion and mood, I had to leave Satara on 6-6-1949. Will Government be pleased to let me know the name of the DUNCE who conceived the idea insisting the Executive Engineer, Satara to obtain apology from me for the abusive language used by me and why this conception was delivered to me through the Executive Engineer Satara Division so late, at the eleventh hour on 23-5-1949?

2. I solemnly declare that the Executive Engineer, Satara has greatly harrassed me and behaved with me most indifferently. His Accountant also was found to act as a simple-ton - quite dumb and deaf to my bombalifying words, and I am afraid he would not be of any use to the Clerical Establishment ~~xx~~ in the Satara Office. I do reserve the right of making a special report in connection with the hopeless condition of the Clerical Establishment in the Satara Office. I will submit this report after I resume my duty on 7-7-1949 B.N.

3. The Executive Engineer, Satara was fully apprised on 23-5-1949 of my definite refusal to give apology and it was his duty to ~~obtain~~ Government orders immediately the very day, as to whether I should or should not be allowed to resume my duty. In as much as he has not taken such a step, I do charge him saying that he has completely failed in his duty. The Superintending Engineer, Eastern Circle, was found to take care of the health of his dog more, than the health of the Clerical Establishment. He tried to impress on my mind that he was fully at liberty to handle such Establishment according to his ~~xxx~~ whims and he remained and behaved like a stone hearted ~~xxxxxx~~ statue, in the form of mankind. Some of the clerks tried their utmost to have an interview ~~x~~ with him even for a few minutes for putting up their grievances but this fellow was not moved at all and was found to be hopelessly merciless. ~~He refused his inability to sanction even 1 day's leave to me.~~

4. I will personally gather complete information in connection with similar kind of deplorable condition of other suffering and starving staff in each Division of the Eastern Circle and try my level best to give wide publicity to my findings.

5. I hereby do wish to bring to the notice of the Government that it is a part of their bounden duty now to issue instructions to the S.E. E.C. Sholapur to pay me my full pay from 25-5-1949 B.N. and sanction leave due to me for one month from 7-6-1949 to 6-7-1949 A.N. and to allow the Executive Engineer, Satara to draw my pay accordingly. Is Government aware of the fact that three fully qualified Civil Surgeons have declared me to be quite fit for service? If Government goes on doing and continues to display its womanhood (as can be judged from their present attitude towards me) I will be forced to take more rash actions in the interest of public service.

Yours faithfully,

Sir,

I acknowledge with thanks, receipt of the so - called charge sheet, which does not bear a single particle of truth therein and which has no moral foundation for its creation. On perusal of this charge sheet, I find that all the four charges enumerated therein, if - considered singly, are meaningless and I am not at all prepared to accept them singly. I do admit that I did use abusive language in my letter addressed so far to local authorities and Bombay Government, and this is the only charge which I do accept honestly. The S.E.S.C and Bombay Government are mainly responsible for - lingering on matters, months together, without any - decision. Under these circumstances I do not find it necessary to prepare any written statement of defence contemplated in para 2 of S.E.'s letter referred to above.

2. I do desire to be heard in person under the - presidency of an honest and impartial P.W.D. Officer - especially Raosaheb A.G. Naik, S.E. Karnatak Irrigation Circle. - preferable. The S.E.S.C. may therefore be requested to hold necessary departmental enquiry as early as possible, as I wish to bid Good Bye to the - Department instantaneously before I pass away from the world.

3. I enclose herewith a true copy of the resolution passed at the condolence meeting, on the demise of - MAHATMA GANDHI, for your information. I have always kept this resolution as well as the G.R. in connection with the holy oath of allegiance to the Dominion of India, in my mind, for my every day guidance. The - concluding portion of this solemn oath is so high - touching, that it insists on the pious mind of a pure and true Indian heart, the necessity of discharging his every day duty, most loyally and to the entire satisfaction of his inner soul and the undersigned feels quite proud in saying that he has fully remained - obedient to the above said solemn oath, and acted in accordance with the implied motive therein and hence he welcomes joyfully any decision (to be arrived at the Departmental enquiry) favourable or unfavourable.

4. Man possessing some stuff in him is compelled to use stiff language, as occasion demands. This is the law of nature and I cannot be an exception to this rule. I will be able to bring to the notice of the inquiring officer how cruelly the following P.W.D. individuals have behaved with me:-

1. Major N.B. Gadre, the then S.E.S.C. Belgaum.
2. His Head Clerk Mr. K.P. Khasnis (now at Sholapur).
3. Mr. H.D. Vaidya Divl. Accountant Dharwar.
4. Mr. A.V. Pai, present H.C. to the S.E.S.C. Belgaum

5. Govt. cannot withhold my pay from 25-5-49 and I will have to take all possible steps till I am paid my legitimate dues. Shame, on the part of the wicked officers who thought of sending me home on the plea of madness. Is Govt. aware that for months together, I was kept starving, and when, as a result of this treatment harsh language was used, a charge sheet is being

(P.T.)

being ...
prepared against me. God alone knows how long India
is destined to remain in such a state of deplorable
condition ! In case, I am compelled to accept a hard
hit, for the honest services rendered by me, throughout
my life, I will have to furnish true copies of my
correspondence to all the Ministers of different
departments for their information and general -
awakening of the general public who will correctly
feel the bitter pinch coming out of the P.W.D.
Equalities.

6. I am proceeding on one month's leave from
15-7-49 before B.N. and I request Government to
arrange to sanction leave applied for with effect
from 25-6-49 B.N.
